### OVERVIEW

---

Enthusiastic web developer with a keen eye for design looking to break into Vancouver's tech industry. Builds and designs daily, as well as creates tools/resources for fellow web developers to aid in their building.

### SKILLS

---

- ADOBE XD + PHOTOSHOP
- HTML + CSS
- SASS
- BOOTSTRAP
- JAVASCRIPT
- UI DESIGN

### EXPERIENCE

---

#### URBAN BARN – LOGISTICS ADMINISTRATOR

AUGUST 2018 – AUGUST 2019

Supported and followed up with customer orders and ensured their accuracy and that the flow of product from our warehouse to the customer was seamless.

Oversaw all work pertaining to our local deliveries as well as being the main contact for any customer issue escalations within the lower mainland.

Took the initiative once more to create more advanced Macro-Enabled Excel Workbooks to improve both efficiency and accuracy.

---

#### TRAIL APPLIANCES – LOGISTICS ADMINISTRATOR

JUNE 2017 – AUGUST 2018

Collaborated directly with customer service, warehouse, delivery, and dispatch staff to ensure product was delivered and invoiced accurately.

Took the initiative to learn and create building Macro-Enabled Excel Workbooks to reduce repetitive tasks and improve overall procedure efficiency.

---

#### BEST BUY CANADA – PRODUCT TESTER & PHONE ANALYST

AUGUST 2011 – OCTOBER 2015

Wrote SOPs for training purposes regarding product testing.

Collaborated with colleagues and direct supervisor to improve processes within the Geek Squad service center.

Performed basic repairs through the replacement of defective internal components on most iPhones and Samsung Galaxy devices.

### EDUCATION

---

#### BCIT

2018-2019

Took part-time Computing & Information Technology courses using Java and then an introductory course to building websites.

---

#### LANGARA COLLEGE

2014-2015

Took courses as part of their Continuing Studies Photography program.
